

BoxBOTS 2018

STOCK WEDGE DESIGN

FOR 8" CUBED RULES

Print out PDF at 100% sizing

Glue paper to a sheet of cardboard – cut outlines then remove paper from cardboard.

Double layer parts should be cut out 90 degrees to each other.

Blue lines – cut only top layer of cardboard, not all the way through.

Red and Black Lines – cut all the way through.

ProTip: Cut Red lines first.
